Applicant hereby notifies the Patent and Trademark Office under 37 C.F.R. §1.28(c) that although Applicant established small entity in good faith at the time of filing United States Application No. 10/039,809, which subsequently issued as U.S. Patent No. 6,759,114, it was recently discovered that the small entity status should have been changed to large entity status at the time the 3-1/2 year Maintenance Fee was paid.

Applicant hereby withdraws the claim for small entity status. Accordingly, the maintenance fee submitted herewith is being paid as a large entity.

Applicant respectfully requests that the aforementioned change in entitlement to large entity status be entered. Under the requirements as set forth in 37 C.F.R. §1.28(c)(2)(ii), Applicant is providing an itemization of the total deficient payment as set forth in the table below.
